## Portraits

Use this page to list desired set-up portrait shots. It is not necessary to list shots such as “cake cutting” or “Father Daughter Dance.” This list is for shots such as Groom with Grandparents.

Guest Wrangler Name: \_\_\_\_\_ The “guest wrangler” should be familiar with people’s names, but not part of the ceremony. His or her job will be to help identify grandparents, cousins, etc, to make the photography process go more smoothly.
